WORK EXPERIENCE

Fuel Nutrition Group | Independent Consultant

2019

Conversed with owner about the company's mission, target audience, and goals in order to set the design objective for his next project (& my task). Identified key areas of improvement and proposed an action plan for the brand's development. Created an interiors concept for Fuel's pilot saloon for men. Proposed solutions utilizing reclaimed materials to minimize costs.

Ae7 | Graduate Architect

2017-2018

Contributed to Facade and Landscape team of a large scale multi-use project. Reduced turnaround time >50% by streamlining change request process between the state side design office and overseas structural team. Developed iterative conceptual design options, 3D-modeling and drawings both individually and as part of a team.

Alargan Group | Architectural Intern

2016

Collaborated with fabricator on design and drawings of a complex joint for an outdoor canopy. Developed plans and arrangements for a housing development project. Undertook conceptual design of a gym facility in Sabah-Al-Salem, Kuwait and presented ideas to company CEO.
