Vray Rendering
Grasshopper
Arduino
Git

#### **WORK EXPERIENCE**

2019

Fuel Nutrition Group | Independent Consultant
Conversed with owner about the company's mission, target
audience, and goals in order to set the design objective for his next

project (& my task). Identified key areas of improvement and proposed an action plan for the brand's development. Created an interiors concept for Fuel's pilot saloon for men. Proposed solutions utilizing reclaimed materials to minimize costs.

### Analog

CNC Routing Laser Cutting 3D-printing + modeling Woodworking

#### Ae7 | Graduate Architect

2017-2018

Contributed to Facade and Landscape team of a large scale multiuse project. Reduced turnaround time >50% by streamlining change request process between the state side design office and overseas structural team. Developed iterative conceptual design options, 3Dmodeling and drawings both individually and as part of a team.

### Coding

HTML CSS

# Alargan Group | Architectural Intern

2016

Collaborated with fabricator on design and drawings of a complex joint for an outdoor canopy. Developed plans and arrangements for a housing development project. Undertook conceptual design of a gym facility in Sabah-Al-Salem, Kuwait and presented ideas to CEO.

#### Languages

English (fluent) Arabic (native)
